

EASTERN EDUCATION GROUP CAREER EDUCATION AND GUIDANCE STRATEGY

VISION AND VALUES

We are committed to implementing a Careers Programme that puts the students and their success at the heart, preparing them for their future and inspiring individual excellence. We believe that the Careers Strategy is vital in contributing to the future of our students and adhering to the College's vision and mission which strives for outstanding education and student fulfilment.

Eastern Education Group is built on three pillars:

- Connections
- Credentials
- Character Strengths

We aim for all students to gain not just the right qualifications and the best grades, but also the connections with businesses and character strengths they need to succeed.

Our students can expect support in making excellent connections with employers in order to maximise their future opportunities.

Eastern Education Group has identified 8 character strengths; resilience, optimism, curiosity, ambition, ownership, respect, self-control and confidence, which foster a culture in which we are preparing our students to live as independent thinkers confident in their choices and actions, and ready for the workplace.

In a world that is fast paced and ever changing, it is our responsibility to ensure that our students are prepared and well informed so that they can make decisions that are not based on assumptions and stereotypes. We believe that high quality careers guidance, access to quality LMI and encounters with employers is key in achieving this.

STATUTORY REQUIREMENTS

The College's Careers strategy is in line with the Department for Education Skills for Job White Paper (January 2021) and Department for Education Careers Guidance and Access for Education and Training Providers (January 2023) by ensuring students have engaging and inspirational careers education, information and guidance through access to employers and other providers. It also outlines the College's role in supporting the student's ability to progress effectively within learning and the labour market. We will ensure that students have access to a range of opportunities and that they receive an excellent Careers Programme with embedded advice and guidance delivered by appropriately skilled staff.

Department for Education Careers Guidance and Access for Education and Training Providers (January 2023) sets out its expectations for Colleges. Eastern Education Group will work towards these requirements and expectations and will be guided by the Gatsby Benchmarks to develop and enhance its Careers provision.

STUDENT ENTITLEMENT

Every student is entitled to a high-quality careers programme as part of their overall education from pre-entry through to progression students preparing for life after College. We put emphasis on the fact that the student journey within the Eastern Education Group consists of both a qualification and preparation for the work environment.

We aim to raise the aspirations of the students and to give them the information and the strength of character to aim higher.

We will ensure all students have:

- Access to independent and impartial career guidance delivered by a Level 6 qualified career development professional who upholds the professional standards of the Career Development Institute.
- Access to Progression to Higher Education Advisors and Work Placement Officers
- Access to an inspirational Careers Programme that challenges stereotypes and promotes equality of opportunity
- Access to information and advice about all progression pathways including Further Education courses, Higher Education courses, Apprenticeships, work based qualifications and progression into employment.
- Encounters with Higher Education Institutions
- A programme of events to allow students the opportunity to explore a variety of progression options
- An increase in support and activities to engage and aid progression for SEND students
- Access to IAG to assist with destination decisions and advice
- Access to up to date relevant LMI
- multiple meaningful opportunities to interact with employers and learn about the skills they need to develop in order to be successful
- Access to live job opportunities
- specific progression/ employability which embed employability and LMI information holistically within their programme
- Extensive employer links and curriculum staff who are keen to encourage as much employer led content as possible both onsite and out in the workplace

It is our intention that all students and students social, physical, emotional and academic needs will be taken into consideration to ensure that everyone is able to take advantage of career related opportunities.

We recognise the important role that parents have in their child's career development. The Group have a programme of events to allow students and their parents the opportunity to explore a variety of progression options including Open Events, Progression Evenings, Apprenticeship and Job Fairs, and Open Events.

Eastern Education Group are committed to creating new and developing existing links with employers, HE, local learning providers and apprenticeship providers which inform decisions on future courses and content, giving the students access to up to date vocational content to enhance and inform their future decisions.

STUDENT OUTCOMES
