# Priory School Residential Department Residential Statement of Purpose

This policy should be read alongside the school's Statement of Intent: <u>Statement Of Intent – Priory</u> School

General Aim: Early intervention to effectively support young people and their families Within this structured environment we aim to improve the student's attitude to learning through experiencing success. This is achieved by providing a warm, caring and friendly environment where each student is encouraged to develop their confidence and self-esteem. We will encourage and support students to make appropriate and informed choices about their lives and their future. We operate on a 24-hour curriculum meaning we are an extension of the student's education but the approach we take to learning is through providing experiences for social interactions, gaining life skills, integrating into society and building independence. This provides

## Specific Aims: To enjoy success, to improve their life chances, to help students achieve to the best of their ability in the following areas:

essential tools that enhances their productivity in the formal learning environment of school.

- Independence skills including Advance Independence
- Communication and Social Interaction
- Healthy Lifestyle including Medication
- Positive Behaviour
- Organisation
- Personal Care and Hygiene including Menstruation
- Leadership skills
- Community Spirit

These areas are continually assessed for each student enabling their progress to be monitored and recorded. This informs the target setting process allowing SMART and individualised targets to be set for each student.

**Residential Arrangements:** Priory School provides residential placements for up to 23 students per night Monday to Thursday term time only. Therefore, over the course of the week, there is 92 spaces/beds available. The Residential Department is organised into 2 houses: Abbey House which can cater for 13 students, mainly KS3 and KS4 and Priory House which can cater for 10 students, mainly KS2 and KS3. Students must be between the ages of 9-16 in order to access the residential provision.

All placements are offered as an overnight placement however we do normally encourage all families to start with an initial 6 week 'link' induction program. This allows students and families to get an insight into residential life before commencing the overnight stays.

**Staffing Structure:** The residential department is run by the Residential Manager and her team. This is overseen by the Senior Assistant Head, Head of School and Executive members of the SEND cluster within EEG (Eastern Education Group).
