

Newsletter 3 – 3rd October 2025

Dear parents and carers,

It was lovely to see so many of you at the Moving into Adulthood evening on Monday. The hall was full of providers, parents and carers. On the following pages we have shared the dates of some of the open evening at the colleges and post 16 providers. If your child is in year 7 or above it is worth trying to visit. From year 9 onwards moving into adulthood is part of the Annual review process and having some information from visits will be helpful to you.

Yours sincerely,
